The page is framed by detailed botanical line drawings of various flowers and leaves. On the left, there are large, multi-petaled flowers with prominent centers. On the right, there are smaller, more delicate flowers and several large, detailed leaves with visible veins. The drawings are in black ink on a white background.

# FOOD & BEVERAGE

We work with an exclusive catering partner, McEwan Group Catering. McEwan Group features a diverse selection of passed appetizers, food stations, and plated or buffet lunches and dinners that are carefully curated to your taste to guarantee a memorable meal. They are recognized as one of Canada's premier hospitality companies, run by celebrity Chef Mark McEwan, and Corporate Executive Chef Shenazad Ousmand.

You will be introduced to a member of the McEwan Group Catering Team to customize a quote for your wedding, which will include food, beverage, rentals (including tables, chairs, linens, dishes and table settings), kitchen, serving and bartending staff. In addition to your catering quote, you will see a standard 20% landmark fee. The landmark fee is charged by McEwan Group and remitted to the museum to cover their use of our spaces, and building and site maintenance. As a registered charity, we rely on revenues generated through our event services to support the operating costs of community programs & education. Thank you for your support.

Your catering quote for a full reception and dinner will be in the range of \$275-\$325 per person on average, or starting from \$125 per person in Diwan Restaurant.

Please visit [mcewangroup.ca/catering](http://mcewangroup.ca/catering) for more information.

## Rentals

The caterer will provide you with a quote for all rentals required, including tables, chairs, linens, glassware, china, cutlery and serving items.
